

## **PLACING PREPAID MINUTES ON INMATE PHONE ACCOUNTS**

1. You can purchase prepaid minutes on an inmate's phone account by calling this toll free number 1-866-898-5880.
2. The only information you will need is the inmate's name and that they are housed at the Washington County Jail in Kansas.
3. Our phone system is not connected with any other jail systems, including Sedgwick County so putting minutes on an inmate's Sedgwick County or any other Counties account will not be usable on our phone system.
